

Dear Supporters,

The O'Leary Foundation Board of Directors along with the O'Leary family & friends would like to thank you for your support in this year's "*A Night Out with Muriel & Bob*". With your support, we are making a difference in our community, helping people that need our help. For the 165 people that attended the event and participated in all of the fundraising, we thank you. For the supporters that could not be there, but donated funds, we thank you as well. All of our participants & donors helped The O'Leary Foundation exceed our goals for this year's event.

We would like to extend a special thank you to our Claddagh sponsor - Jasons Foods, Palatine, IL. Dublin's sponsors - Ranchers Legacy, St. Paul MN, Brian & Pam Schwindy, Richland, MI. Benefactor sponsors - Coach Bill Maskill, Kalamazoo, MI. Colleen and Alex Mills, Wichita Falls, TX. Kevin & Deb O'Leary, White Lake, MI. Being a Sponsor is a very special way to participate in The O'Leary Foundation. Here you can show your support and your treasures. This year we teamed up with Bronson Healthcare "**AIM**" program. **Advance Illness Management**. The AIM program provides care for patients facing advance illness where they often need it the most: at home. Collaborating with our primary care providers, subspecialists and our hospice partners, it is our goal to provide clinical, home base care and education so patients and families make informed decisions about the right care, the right time, at the right place from them. So excited for this program. One more example in how a community can work together to help others.

Our co-recipient was K 9 Camo Companions. This year event also benefited veterans right here in West Michigan by providing assistance with adoption fees, dog training, pet supplies, Veterinary care, micro chipping and more. The people that run the core of the program are all volunteers, so you can assured that the money given to help our Veterans goes to Veterans and their pets and their services are at no cost to the Veterans. We truly believe that it's who you have by your side that matters and we are honored that you stood by our side with The O'Leary Foundation.

Thank you to ALL of our vendors, as well as our friends and family members that made or bought an item for our silent or live auction. Please look at our website to see the extended list. We could not do this event without you.

God Bless,
